Things to think about:

How did playing Air Ball make you feel? Use the sense-o-meter to help you!

What body part do you use to blow out of the straw?

Were you able to keep your ball inside your cup? Was it hard or easy?

Sensory Explorers

Great explorers are curious about their world and about themselves!
Use this sense-o-meter to help you figure out how you feel on the inside when
you explore with your senses.
